WHAT IS THE YOUTH COMMUNITY CONNECTION FUND?

The Youth Community Connection Fund (YCCF) supports youth experiencing homelessness or housing insecurity by funding activities that build skills, connections, and community engagement while reducing financial barriers and strengthening support networks.

THE CHALLENGE

Without strong support networks, youth experiencing housing instability or homelessness face greater isolation, mental health challenges, and barriers to housing, education, and employment.

OUR GOAL

The Youth Community Connection Fund supports youth facing financial hardship, housing instability, and homelessness by building supportive networks.

FUNDING TIERS

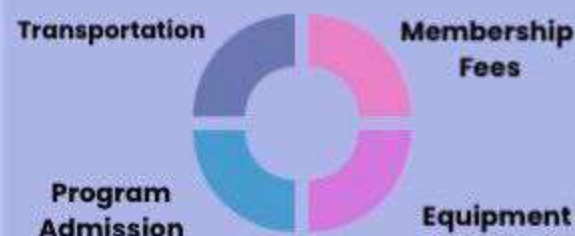

Tier 1 - Free activities and drop-in sessions

Tier 2 - Short, recurring programs

Tier 3 - Structured or longer-term activities

Tier 4 - Specialized programs

FUNDING SCOPE

ACTIVITIES

PAYMENT AND ADMINISTRATIVE PROCESS

1. The program navigator helps youth select an activity
2. The program navigator checks details and submits a funding request
3. Approval based on tier level
4. The host organization pays the activity provider directly when possible.
5. Staff track payments, receipts, and remaining budget
6. Navigator follows up with youth to support continued engagement or new activity choice

CONCLUSION

The Youth Community Connection Fund (YCCF) complements existing supports by funding community activities that build skills, connections, and belonging. By reducing financial barriers, it helps create sustainable pathways out of homelessness.
